A Message From Our School Principal

School has been very busy since our last newsletter. The pupils have engaged wholeheartedly with a wide variety of learning experiences both inside and outside the classroom. In this newsletter you will see the rich range of many activities since Christmas. These include our many woodland field trips, visits from local engineers, inland fisheries officers, the Credit Union quiz, the Easter Draw, parents joining us to celebrate the award of the **Gold Stars** gold medal, to name but a few. Congratulations to the 6th class boys in Mrs Mulrain and Mr. Kavanagh's classes who made their confirmation on Saturday. We're delighted to announce that we have placed site notice on the grounds for planning permission for our new building refurbishment and extension project. Thanks to all our staff who give of their best to ensure that your children will have a happy and fruitful school experience at all times in school. Thanks also for the wonderful work being carried out by our Parent's Association who work behind the scenes to support the school and provide valuable resources and memorable activities for our pupils.

On behalf of the Board of Management, sincere thanks to all parents for your support of the Easter Draw and the Letterkenny Pantomime in January and for your ongoing support during the year. I wish all pupils, parents and staff a very Happy Easter.

Mrs. O'Connor's 2nd class had a wonderful day on a recent trip to study trees at Drumboe Woods.

Mrs. Mulrain's 6th class take part in a radio programme recorded at Glenveagh National Park. It will be broadcast on Highland radio in the coming months.

The annual Easter fund-raising draw was launched by the Parents Association, teachers and pupils. The draw takes place this week! Who will win those shiny new bikes???

School closes on Friday 27th March at 3pm. School reopens on Monday 13th April.
